Oyster Point 10K
Race Director: Jim Kauffold
Volunteers: George Sacco, Richard Finley, Vince French, Geores Buttner, Carol Pechler, Caron Anderson, Bobby Marty, Bill Woolf, Gloria Reyes, Kevin Lee

DISCLAIMER: Unfortunately, due to the accidental shuffling of tags, the finishing position after the 48th place was lost. The times and finishing positions for the first 48 positions are accurate. We have times for a few runners after the 48th position collected with a backup manual system, but the finishing positions are unknown.

The age group points will be calculated normally for the first 48 finishers. The 35-39 age men had eleven finishers in the first 48 so they will be scored normally, but no points for later finishers in this group. All other runners after the 48th finisher and the RD will be awarded five points as participants.

If you have your finishing time (clock

time), and wish to have it included on the DSE web site, you may email it to the race director (jekauffold@gmail.com).

An ongoing discussion to discuss improvements in our backup systems is underway.
