### RRCA CONVENTION WRAP-UP

lanet Nissenson

The 2009 RRCA Convention, held here in San Francisco from March 26–29, was a resounding success. Runners from all over the country journeyed west to participate, and they were treated to all of the beautiful and scenic sights our city has to offer. Fortunately, the weather cooperated big time, with sunny, mild days and crystal-clear skies.

The convention attracted several well known names in the running world, who participated as either guest speakers or award recipients. Chief among these was the keynote speaker, Frank Shorter, gold medalist in the marathon at the 1972 Munich Olympics. Frank was gracious and witty, posing for many photographs and tirelessly signing autographs. We also managed to catch "Ultramarathon

Man" Dean Karnazes long enough for him to speak at one of the lunches. In addition, famed ultrarunner, adventure racer and mountaineer Marshall Ullrich entertained the masses with his many exploits at another lunch. Also in attendance at the convention were Don Kardong, champion U.S. marathoner, author and long time writer for Runners World; Amby Burfoot, current editor-in-chief of

Runners World; Tim Twietmeyer, multiple-time winner at the Western States 100; Anne Marie Lauck, who competed in both the marathon and 5000m at the Olympics, and our own local legend, Russ Kiernan, who graciously led a group of wide-eyed runners over the Dipsea Trail.

The convention attendees were treated to a cocktail reception at the historic South End Rowing Club, where Pat Cunneen shared some of the history of

# APRIL FOOLERY Ken Reed agrees to direct Bay to Breakers

Ken Reed, the DSE Double Dipsea race director, agreed to direct the 2010 Bay to Breakers on the condition that all runners MUST drink alcohol while they race, including the Kenyans. Mr. Reed said that this is "what Walt Stack would have wanted." Mr. Stack was the founder of the DSE and commonly was seen carrying a six- pack of beer while running. In other news, negotiations are still under way between Bobby Marty and ING (the B2B host sponsor) to finalize the cost of Mr. Marty's transportation of all the food, water, and setup for all 80,000 participants solely by himself. Mr. Marty says he is willing to use his outstanding volunteerism for the DSE pro bono but will charge a premium for his services to outside races.\*

# DSE charges runners with blood doping to win Mongo Trophies

In a unanimous decision from the Board of Directors to disconnect the club with BALCO, the DSE indicted four runners suspected of blood doping. The board requires speedsters Nathan Yanko, Ian Macnider, and Chikara Omine on the men's side and Erika Kikuchi on the women's side to comply by 6:30 am tomorrow. Mr. Yanko is the only runner whom the DSE Board of Directors indicated tested positively for EPO, or erythropoietin, which is a synthetic hormone used to improve stamina by increasing the body's production of red

blood cells. Donnelly Gillen, the DSE Secretary, said, "The gala would never have ordered such nice trophies if we knew some runners would use synthetic enhancements to win them!" \*

# International champions expected to run at DSE Easter Roller Coaster 5K

In a closed-door meeting led by DSE treasurer Wendy Newman, the DSE signed three international champions to race at the April 12 Easter Roller Coaster 5K. An unidentified source said these champions would receive up to 8-10 baskets of cookies made by Fred and Yong Haber. These infamous Haber cookies, which show up as postrace refreshments at many of the DSE races, contribute to the recent growth in attendance of the DSE races. Ms. Newman said she had "no comment" at this time regarding the negotiations between the champions and the exact amount of cookies the DSE would award, but she went on to say that this would not conflict with the current supply of post-race refreshments. She also noted that the Habers are willing to "step up to the task." The Board of Directors indicated that they would issue a press release shortly after the talks settle.\*

### **DSE COME RAIN OR SHINE**

The months of February and March have had their fair share of rainy Sundays. So how does this rain affect the DSE? Well, it looks as if it doesn't. Beginning in February we've had 1067 racers for seven DSE races with an average of 152 racers. The club experienced six out of seven Sundays with unsettling rainy conditions.

### **APRIL RACE SCHEDULE**

Every Sunday the DSE finds a different location to hold our race. Thus far this year race locations have been at Golden Gate Bridge, Lake Merced, the Waterfront, Golden Gate Park, Sawyer Camp, Mission Bay, Presidio/Marina Green, Potrero Hill, etc. In April three out of four race locations are inside Golden Gate Park with the other just up the road in Mountain Lake Park. Each race explores one of the gamut of

routes that San Francisco has to offer.

On April 5, the Golden Gate Park 10K, which is always a crowd-pleaser, showcases the city's Windmill and runs along the park's northern route.

On April 12, the Easter Roller Coaster 5K is becoming an annual family favorite, in which lucky runners come away with Easter chocolates as refreshments.

There is NO DSE Race on April 19. The DSE encourages everyone to run the Zippy 5K. Club members receive a race discount with online registration.

The April 26 Polo Field 5K has added a new male and female one-mile race on the Upper Polo Field Track. The club offers a combination discount race entry fee to enter both races. Please note that the Mile race begins at 8:30 AM.

### **BAY TO BREAKERS UPDATE**

Sixty-one Bay to Breakers drawbridge positions were filled within two weeks. Many B2B volunteer assignments still need to be filled. Check them out at <a href="http://www.doitsports.com/volunteer2/jobs-by-date.tcl?event\_id=193488">http://www.doitsports.com/volunteer2/jobs-by-date.tcl?event\_id=193488</a>.

The B2B Running Club Challenge is a category that promotes local clubs, who will vie for first place in both size and speed. I think that the DSE can do very well in the size category. The B2B is giving \$5 registration discounts to DSE members.

Does anyone have Bay to Breakers stories? The B2B coordinator is looking for DSE stories connected to B2B. If you have any stories, please contact Josh at <a href="mailto:imuxen@INGbaytobreakers.com">imuxen@INGbaytobreakers.com</a>.

The Chinese Dragon dancers started off the business meeting on Friday morning, and the attendees enjoyed a Chinese dinner and shopping at Sports Basement that same evening.

The week was capped off with the companion race to the convention—the Presidio 10M/10K. The weather was picture-perfect for this scenic course that traverses both sides of the Golden Gate Bridge, starting and finishing at Crissy Field. This is a great event sponsored by The Guardsmen, with massive quantities of free food and drink after the race, and entertainment by a live band.

Many, many thanks to all of the volunteers from DSE who helped out at various times and places during the

convention, especially Paul Mosel who tirelessly took hundreds of photos over the four day period, and Joe Connelly, who was in charge of overseeing the convention expo. And a huge thanks to George Rehmet, who has devoted the past 18 months of his life to planning this extravaganza. It was definitely one for the ages.

Editor's note: Presidio 10K/10M results and photos can be found on pages 12 and 13.

### THE 10 STEEPEST STREETS OF SAN FRANCISCO

**Janet Nissenson** 

A year or so back, when I was compiling several decades worth of DSE newsletters and race results, I set aside several articles and photos that caught my interest. One in particular was a table that listed the 10 steepest streets in the City. (I'm not sure exactly what year this was from, but looks like the mid-1970s.) Wouldn't this make for an interesting run course—to tackle all ten of these hills? Whoever made it to the top of all ten the quickest would without doubt be crowned King or Queen of the Mountain! Stay tuned—this crazy idea might just take shape one of these days in the form of a DSE Fun Run!

# ♦ ♦ ♦ Volunteers Needed • • ♦

DSE would not be able to put on 40+ races each year without the continued effort of its dedicated volunteers. There is an ongoing need each week for at least five volunteers to assist the Race Director. Two volunteers will be needed to handle registration from 8:00 to 9:00 AM (these volunteers would therefore have the opportunity to also run the race), and three volunteers to assist with finish line timing/stringing from 8:55 AM to the race end (a good option for self-timers, those nursing injuries or otherwise not racing that week).

Following are upcoming races at which we need a full slate of volunteers:

April 5	Golden Gate Park 10K	May 10	Marina Green 5K
April 12	Easter 5K	May 24	Golden Gate Vista 10K
April 26	Polo Field 1M/5K	May 31	Practic Dipsea
May 3	Stern Grove 4M	June 7	Strawberry Hill 5K

If you can assist at any of the races/events listed above, please contact Kevin at <a href="mailto:dse.pekingduck@juno.com">dse.pekingduck@juno.com</a> or 415-751-9653 or simply sign your name to the Volunteer Sign-Up Sheet that is available at each weekly race.

We are actively seeking Race Directors for nine more of our 2009 races. Please check with Kevin regarding open race dates if you are interested and have some experience as a Race Director.

# ADDITIONAL VOLUNTEERS

George Sacco

In the last few years the DSE has started to return to the lofty status it once had. I can remember when I first started running with the club in the late 60s, the race attendance was always over 100 and the Practice Bay to Breakers, Bay to Breakers Revisited, and the Hangover runs could even have close to if not more than 1,000 runners. I don't know that we will ever get that big again, or even if we could accommodate that many runners. But in many ways we have become a more professionally run organization.

I feel the reason for this is our club volunteers, including operations volunteers, 12 coordinators, race directors, race day volunteers, and five club officers, all of whom are doing a great job. We seem to be doing very well at this time. But let's not forget that we always have and always will need replacements for these volunteers. So I am asking you to think about being a part of one of these volunteer groups.

For example, if you are not already an operations member please take the initiative and forward your name for future consideration to George Sacco at <a href="mailto:sgsasacco@yahoo.com">sgsasacco@yahoo.com</a>. The names and assignments of operations members are posted on our website.

We may need replacements or additional individuals. Please step forward to help our club becoming even better in the future.

# SUMMER SERIES WARM UP

Calvin Chan

Yes, the Summer Series will return later this year, but why wait? Ken Fong, Yong Haber, Tom Pang and Chikara Omine have been seen burning up the path as they get ready for the series.

If you are interested, you can join them Thursday nights at 6:30 PM at the parking lot at the end of Sunset Blvd and Lake Merced Blvd.

If you prefer, you can also join me and my gang for a bike ride around the lake. We have gathered for three weeks and look forward to having you join us for a run or a ride.

### DSE AT THE SNOWSHOE RACES

Erika Kikuchi

Many of you may know Jason Reed from all the DSE and other races he runs, but what you may not know is that, come winter, he hits the snow and competes in both the local and national championship snowshoe races—and this year he succeeded in getting some DSE members to take up the sport and join in. If any of you read TrailRunner (www.trailrunnermag.com) or even the Wall Street Journal (see "Chill of Victory, Agony of the Feet: The Art of Snowshoe Racing" by Barry Newman), you may have noticed there's been a flurry (pun intended) of recent articles on the topic of snowshoe racing. What the heck is snowshoe racing anyway, you might ask. Well, it's the fastest growing winter sport in the world, according to Snowshoe Magazine (www.snowshoemag.com).

To put it in DSE perspective, imagine running the Easter Roller Coaster Run on a single track trail of snow with snowshoes (that legally can be no smaller than 7' x 20')

strapped to your running shoes, snowflakes blowing in your face and our fleetfooted Chikara Omine taking over an hour to complete a 10K (for third place)! Oh yeah, and afterward, you have the strange impression that you just did a series of 400 meter track repeats. Our running friends in Colorado may disagree, but let me assure you that even for us hill-running Californians, snowshoe racing is ridiculously hard—but it's also amazingly fun!

This year, the U.S. Nationals qualifying event in California was the Jazz Trax Snowshoe Stomp in Bear Valley. Jason pulled together a full DSE team, including himself, Jim Kauffold, Chikara Omine, me and my friend (and occasional DSE runner), Lisa Chin. We rented an SUV and headed up to 7,000 feet on a snow covered road, arriving amidst some blustery gusts of wind and snow and a 27 degree temperature. With some reservation, I opted to keep my ski jacket shell and hood on to block the wind, a choice I was glad I made as I was pelted with snow during first part of the race. Despite the snow, I warmed up fast, as the course consisted of one hilly 10K loop with a climb near the beginning. During the first half mile, I was beyond winded and actually wondered if I'd make it the whole way. After a mile or so, though, I found a groove (consisting of walking and running), and the weather brightened up. Jim and I both really enjoyed the snow-laden pine trees that covered the course.

Chikara came in third overall (out of the nineteen 10K runners) with a 1:01:17; Jason finished strong with a 1:07:36 for 6th place, I ran a 1:14:47 for first female, 8th overall, and Lisa sprinted to the end for a 1:19:42. Jim, at age 71,

finished in an incredible 1:46:55 and won a special award for the being the oldest racer to ever run the Jazz Trax race. Due to the small number of runners at the race and the rules that were made to help the sport grow, everyone who ran the race qualified for nationals. After the race, we kicked back in the lodge with bowls of hot soup for the awards ceremony, and listened to the middle school jazz band that came to play. As we drove down the mountain, we witnessed a car (with chains) skid into a mailbox right as we went by—a startling reminder of the slick conditions on the roads (go to these races with four wheel drive and chains if possible). Overall, it was a wonderful introduction to snowshoeing and made me even more excited for the nationals at Mt. Hood.

Jason and I couldn't gather a group for the National Championship at Mt. Hood, but we ventured up to the race on our own. On the uphill, I battled against the wind and icy snow beating my face and questioned the sanity of my new-

> found sport, but once the climb was complete, it was a cool, winding single track downhill through the white forest all the way back. At nationals, there is a much more competitive field (first place male ran it in 44:30 and first female in 51:58), but Jason and I both had good races and I managed to place second in my age group with a time of 1:13:25. We met another runner there and formed a relay team for the 3 x 2.5K relay event. We were the

only mixed team, so we won our division. They had tons of raffle prizes and we won a pair of ski goggles, which I think might just come in handy for the next snowshoe race. I can't

# FROM THE ARCHIVES 1974

Thirty-five years ago, Stu Ruth was not the only one to contribute original cartoons to the DSE News. Here is one from a 1974 newsletter, by Pat Cunneen, one of the few current DSE members who has been in the club ever since its beginning in 1966.

### 1984

Some things never change. Twenty-five years ago, DSE historian Ted Vincent wrote:

The DSE is one of the few running clubs in the nation that puts on races almost every weekend of the year. It takes a sizable work force to keep the races and other club functions going, and a survey shows these workers are a tenacious bunch. They tend to last for years and years. Maybe they get their stick-to-it-ness from Walt Stack, and maybe he gets some of his tenacity from them; but for whatever reason, the DSE workers show a dedication that seems quite beyond the norm for your typical sports club.

Ted went on to say:

The job of DSE newsletter editor, a quite social position, is regrettably one that rapidly burns out its workers. Over the past 15 years there have been 14 different editors.... The 1983 editor, Margaret Curtis, says, "The sheer overwhelming amount of work is the one memory that sticks in my mind." Fortunately, some things do change. In the last twenty years, we have had only three editors (counting the team continued on page 12

There are several possible reasons: it may be missing from the DSE roster, it may be misspelled in either the roster or the results list, or I may just have missed it. For races outside of the Bay Area, I depend on members to notify me about results.

of Jim Roe and Cheryl Willis, our first long-term editors, as one). Perhaps this is because we now have computers, sophisticated software and copy shop same-day printing to make the job a bit less overwhelming. One thing that hasn't changed is the popularity of the monthly folding session, which has been taking place for as long as I can remember—and 2009 is my 25th year in the club.

### 1989

Some of our races stay the same while the city changes around us. The circumstances may be different now, but the advice from 1989 DSE News editor Cheryl Willis is still timely:

What a hot time at last month's Potrero Hill run. Ted Vincent and Bernice Carter were the able race directors who sent off the predominantly male contingent (thanks to the scheduling of the Bonne Bell run on that date) into the grueling heat of this "mostly" flat course.

Mostly, except for the Lombard-like hill at Vermont Street, followed by the crest of the hill and a steep downhill to the finish.

Some of the frontrunners lost time to the passenger train which impeded their progress within the first half mile of the race, while some good samaritans in the front of the pack took time to help a stranded motorist and his friend push their car into a gas station's lot.

All of this under what felt like 80 degree temperatures. All of which brings me to some cautions which we don't think about all the time, because the chances of encountering a train, passenger or otherwise, are not too great on most of our courses.

We have to remember that DSE and its members continue to run our races on city streets with the implied blessings of the police and other public works departments, so long as we do not incite their wrath or that of the residents and businesses in the areas in which we run.

Like the sergeant in *Hill Street Blues* used to say, "Let's be careful out there." Keep your eyes open for hazards, moving or otherwise. And don't get into a ----ing contest with pedestrians or vehicles bigger than you are.

# Membership ◆◆◆ ◆◆◆ Information

The DSE was founded in 1966 by members of three clubs who were also interested in running—the Dolphin Club, the South End Rowing Club and the San Francisco Rowing Club.

The DSE has grown into San Francisco's largest running club with about 450 members. The club holds races throughout the city almost every Sunday, with courses that range in difficulty and distance (2–6+ miles). DSE members automatically receive a one year subscription to the *DSE News* and become members of the Road Runners Club of America. Club members receive a free subscription to the online publication *Footnotes*.

Annual Dues are \$25 for an individual membership and \$30 for a family membership (two or more people with the same address). There is a \$5 discount for memberships that opt to receive the monthly newsletter online. Membership/ Renewal Applications are available on the DSE website, <a href="https://www.dserunners.com/members.html">www.dserunners.com/members.html</a>. From there you can click on the "membership application" link to download the form or on "register online" to join/renew online at <a href="https://www.active.com">www.active.com</a>. If you choose to join/renew by mail, please send a check or money order made payable to DSE and a signed membership/renewal form to our Membership Coordinator, Richard Finley. Renewal dues are due by the date shown on the mailing label of your DSE newsletter (if you receive one by mail) or by the reminder date provided by e-mail from Richard (if you receive an e-newsletter).

Questions should be directed to Richard Finley at <u>nishikifinley@sbcglobal.net</u> or Richard Finley, c/o DSE Runners, 805 Vega Circle, Foster City, CA 94404. Changes of Address are also to be sent to Richard Finley.
